Job Title: Android Developer/PHP Developer/React Developer

Job Brief: We are looking for a talented Software Developer to join our team. The ideal candidate will have experience in developing Android applications and/or PHP and React web applications. You will be responsible for creating and implementing functional programs that meet user needs. The successful candidate will work collaboratively with other developers and product managers throughout the software development life cycle. If you are passionate about software development, possess strong problem-solving skills, and have experience working with the Android platform, PHP, or React web applications, we encourage you to apply.

Responsibilities:

- Collaborate with developers to design algorithms and flowcharts
- Write clean, efficient, and scalable code based on specifications
- Develop and maintain Android applications and/or PHP and React web applications
- Integrate software components and third-party programs
- Deploy and verify programs and systems
- Troubleshoot, debug and upgrade existing software
- Gather and evaluate user feedback
- Recommend and execute improvements
- Create technical documentation for reference and reporting

Requirements and Skills:

- Proven experience as an Android Developer/PHP Developer/React Developer or similar role
- Familiarity with Agile development methodologies
- Experience with software design and development in a test-driven environment
- Strong knowledge of Java/Kotlin for Android developers, PHP for PHP developers, and React for React developers
- Experience with databases and Object-Relational Mapping (ORM) frameworks
- Excellent communication skills
- Resourcefulness and troubleshooting aptitude
- Attention to detail

Preferred Qualifications:

- Experience with Git version control
- Knowledge of RESTful APIs and JSON
- Experience with Laravel framework for PHP developers and Redux for React developers

Note: Please specify in your application which role you are applying for - Android Developer, PHP Developer, or React Developer.

Send your Application to hr@inspirehub.co.ke
